ABOUT THIS WEEK

Approaching a majestic waterfall, you can feel its thundering roar, unrelenting cascade, and steady power—it never stops flowing, just like God’s faithfulness never runs dry. This week, we’re reminded God isn’t distant but closer than we know, ready to protect, deliver, and walk with us through every challenge we face. As we stand in awe of God’s unchanging presence, **we worship because God is faithful.**

WHAT?

Victoria Falls is the largest waterfall on Earth and one of the Seven Natural Wonders of the World. It’s over a mile long and over 350 feet tall and an important part of Zambia and Zimbabwe’s ecosystem. Plants and animals rely on the waterfall to survive, and the faithful sound and sight of the Falls remind them they’ll always have what they need.

Maybe you know what it’s like to stand in front of a reliable and consistent presence—something (or someone) you know you can trust. Reliable family and friends are sort of like Victoria Falls. They’re big parts of our lives and can help us tap into the even bigger, better, more wonderful example of faithfulness we can experience.

SO WHAT?

In Psalm 34:17–20, the psalmist describes God as someone who releases us from trouble (deliverer) and shields us as well (protector). These attributes of God characterize the same unchanging truth: God is immensely faithful to us.

Hebrews 12:1–2 tells us Jesus chose to be the ultimate example of God’s faithfulness by being willing to die for us. He knew we would need reminders that God is with us when we lose sight of God’s love. God is present and close to us always. **We worship because God is faithful.**

NOW WHAT?

We worship because God is faithful. Even when we feel like we have nothing but problems, God’s faithfulness reaches the deepest part of our lives. Here are a few ways we can worship even in the middle of our challenges...

- **REMEMBER WHEN GOD WAS FAITHFUL:** Make a habit of reflecting on your life to see God moving throughout it.
- **LEARN FROM FAITHFUL PEOPLE:** Stories, both in Scripture and from people you know, can help you see the patterns of God’s faithfulness in your life.
- **PRACTICE BEING FAITHFUL:** Practice being a faithful friend and follow through on your commitments.
